

Web Banners

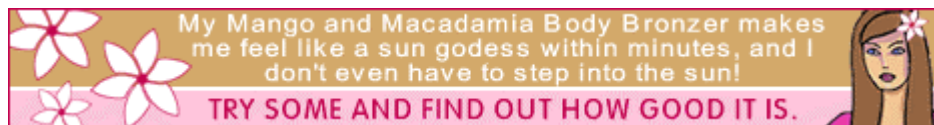

Banners with text perform well when persuading people to click. It's surprising how much text you can fit on an average banner!

My Jasmine and Hibiscus Glimmering Self Tan provides an instant golden glow, and then deepens over 6 hours. I just love it!....

[GET YOURS HERE](#)

This banner features a light pink background with a darker pink border. On the left, there are several stylized white flowers with pink outlines. On the right, there is a cartoon illustration of a woman with long blonde hair and a pink flower in her hair. The text is centered in a dark pink font, and the call-to-action is in a bold, dark pink font.

My Mango and Macadamia Body Bronzer makes me feel like a sun goddess within minutes, and I don't even have to step into the sun!

[TRY SOME AND FIND OUT HOW GOOD IT IS.](#)

This banner features a light pink background with a darker pink border. On the left, there are several stylized white flowers with pink outlines. On the right, there is a cartoon illustration of a woman with long brown hair and a pink flower in her hair. The text is centered in a dark pink font, and the call-to-action is in a bold, dark pink font.

I feel like I'm on a Tropical Island and I have a soft, sexy sheen when I use my Passionfruit and Papaya shimmering body butter....
