### **Absolutely Gorgeous Make-up Artistry**

#### **Devastatingly beautiful makeup by an expert:**

How do you know you've found the right make-up artist? The same way you know he's the right guy. It just feels right. You know she's the one your face deserves.

Her manner and makeup skills put you completely and utterly at ease.

Although planning and organising your wedding will be one of the busiest and exciting times of your life, you'll know being a stunning bride will be the least of your worries when you use Cristina from Absolutely Gorgeous.

Cristina is dedicated to making you look and feel like an Absolutely Gorgeous bride ...ready to sweep your man off his feet!

For the love of your life, on the day of your life, you'll have the look of your life.

Cristina understands how important your wedding day is and is committed to creating a perfect bridal look that is all you. Upon booking a trial, she will talk with you about your needs and make suggestions that will enhance your beauty and create a unique look for your special day.

Only high quality, professional make-up is used, creating a fabulous look which lasts throughout the day and well into the evening.

Whether you wear make-up regularly or not at all, a natural look, with a hint of glamour is Cristina's specialty. Her skilled makeup application will complement your individual skin tone and colouring.

On your wedding day, Cristina will travel to any area of Melbourne and work her magic in your home or hotel room.

Your photos will show you immortalised looking your most beautiful on your most beautiful day.
