Your Absolutely Gorgeous Wedding

Dare to dream about your perfect day, your perfect wedding, your perfect look... Dream wildly. Dream passionately.

Because we can make your dream come true.

As each step on the day takes you closer to your husband-to-be you'll hear hushed murmurs of appreciation and admiration. Quick, involuntary intakes of breath will follow you softly down the aisle as people see you close-up for the first time.

You'll see your fiancé's eyes widen ever so slightly as all thoughts except those of you flee from his head.

The photographer will compliment you on your beauty, and you'll know he really means it!

How Will You Make This Dream Come True?

We know you want to....

- Look and feel unbelievably beautiful
- Create a stir with your exquisite make up and accessories
- Dazzle your husband-to-be and become his vision of love
- Feel 100% confident that your make-up will last, and last, and last
- Have no doubt that your skin looks flawless in any light
- Bask in the admiration of your 'total' look and seemingly effortless beauty
- Take the perfect photo time and time again
- Be immortalised on your wedding DVD at your stunning best

Your Complete Guarantee of a Stress Free Day

We offer a pre wedding trial to give you the confidence you need on the big day and we never rush or double book.

Your day becomes our day.

For us there is no-one but you.... and for you there'll be a look like no other.

Your pre wedding trial:

Cristina will discuss your preferences for make-up, and help you design the perfect look for your special day.

Personalised assistance and guidance will be given, with importance placed on all the finer details such as colours and styles of wedding dress and bridesmaids' dresses, accessories and flowers.

It's a good idea to cut some pictures out of magazines of make-up styles that appeal to you before your trial date so you can create an idea in your mind of how you want to look.

During this consultation a full makeup application will be applied, and once your ideal look is achieved, notes will be made so this look can be recreated on the wedding day.
